Tim Moore is a master of the travelogue. He has a knack for finding the most bizarre and wonderful places on earth, and then writing about them with a wit and charm that is all his own.

In *Another Fine Mess*, Moore takes us on a journey through some of the most off-the-beaten-path places imaginable. He visits the remote islands of the Pacific, where he encounters a talking dog and a man who lives in a tree. He travels to the bustling streets of Mumbai, where he meets a group of nuns who run a bar. And he even spends time in a remote village in the Himalayas, where he learns the art of meditation from a wise old monk.

Along the way, Moore meets a cast of unforgettable characters. There's the eccentric British expat who has made his home on a remote island in the Pacific. There's the Indian man who believes he is the reincarnation of Elvis

Presley. And there's the Tibetan monk who teaches Moore the importance of compassion.

Another Fine Mess is a laugh-out-loud funny and deeply moving travelogue. It is a book that will make you see the world in a new light. It is a book that will make you laugh, cry, and think. And it is a book that you will never forget.

Praise for Another Fine Mess

"Another Fine Mess is a hilarious and heartwarming travelogue that will make you laugh, cry, and think. Tim Moore is a master storyteller, and his latest book is a must-read for anyone who loves to travel." - The Guardian

"Tim Moore is one of the funniest and most insightful travel writers around. Another Fine Mess is his best book yet." - The Independent

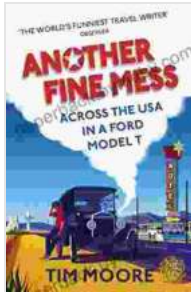

"Another Fine Mess is a laugh-out-loud funny and deeply moving travelogue. It is a must-read for anyone who loves to travel, laugh, and be inspired." - The Telegraph
