The book starts with a brief history of April Fool's Day, and then it's off to the races! Kids will learn how to play classic pranks like the whoopee cushion and the fake spider, and they'll also find some new and creative pranks to try.

In addition to pranks, the book also includes a variety of jokes and activities. There are jokes about everything from animals to vegetables, and there are activities like mazes and word searches to keep kids busy.

The book is illustrated with bright and colorful artwork, and it's sure to appeal to kids of all ages. It's the perfect way to celebrate April Fool's Day, and it's also a great way to keep kids entertained on a rainy day.

**Here are a few of the pranks and activities included in the book:**

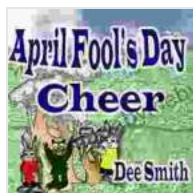

- **The whoopee cushion:** This classic prank is always a hit with kids. Simply place the whoopee cushion on a chair and wait for someone to sit down. The resulting sound is sure to get a laugh.
- **The fake spider:** This prank is a little more elaborate, but it's sure to get a reaction. Simply attach a fake spider to a string and dangle it over someone's head. When they least expect it, drop the spider and watch them jump!
- **The disappearing coin:** This prank is a great way to fool your friends. Simply take a coin and put it in your hand. Then, slowly open your hand and the coin will seem to disappear.
- **The magic trick:** This prank is a little more difficult, but it's sure to impress your friends. You'll need a deck of cards and a little bit of practice. Once you've mastered the trick, you'll be able to make cards appear and disappear at will.

These are just a few of the pranks and activities included in the book. With so much to choose from, kids are sure to find something to keep them entertained all day long.
