In 2010, at the age of 24, Natasha Sims was diagnosed with a rare form of cancer called sarcoma. The news came as a complete shock, and Natasha's world was turned upside down. She underwent surgery, chemotherapy, and radiation therapy, and spent months in and out of the hospital.

Through it all, Natasha never lost her hope. She drew strength from her family and friends, and from her faith. She also found solace in writing, and began keeping a blog about her experiences.

In her blog, Natasha shared her thoughts and feelings about cancer, treatment, and recovery. She wrote about the challenges she faced, but she also wrote about the moments of joy and hope that she found along the way.

Natasha's blog quickly gained a following, and her story inspired thousands of people around the world. In 2016, she published her memoir, *Behind These Sarcoma Scars*.

The book tells the story of Natasha's journey through cancer, from diagnosis to recovery. It is a story of pain, but also of hope and resilience.

Natasha writes about the challenges she faced, but she also writes about the lessons she learned and the growth she experienced.

Behind These Sarcoma Scars is a powerful and inspiring memoir that will resonate with anyone who has ever faced adversity. It is a story of hope, resilience, and the power of the human spirit.
