A Powerful and Moving Account of the Life and Visions of a Lakota Holy Man

Black Elk Vision is a powerful and moving account of the life and visions of Black Elk, a Lakota holy man who lived through some of the most tumultuous times in American history.

Black Elk was born in 1863 on the Lakota reservation in South Dakota. He was a member of the Oglala Lakota tribe, and his father was a chief. Black Elk grew up in a traditional Lakota way of life, and he was taught the sacred ceremonies and rituals of his people.

In 1876, Black Elk fought in the Battle of the Little Bighorn, where he witnessed the death of his father. The battle was a turning point in Lakota history, and it marked the beginning of the end of the Lakota way of life.

After the battle, Black Elk returned to the reservation and began to have visions. In his visions, he saw the future of the Lakota people, and he was given instructions on how to help them. Black Elk became a holy man, and he spent the rest of his life teaching the Lakota people about their culture and traditions.
