An Intergalactic Pursuit

Join Milli, Geo, and Bot as they embark on a mission to rescue their friend, OOga, from the clutches of the cunning Zorgon. With the help of their trusty Math Powers, Team Umizoomi races through outer space, navigating through asteroid fields, dodging comets, and solving mind-bending puzzles.

Each page is a dynamic playground where children can engage in mathematical thinking, problem-solving, and spatial reasoning. From counting stars to measuring the distance between planets, the adventure provides a captivating tapestry of educational moments woven into a fun-filled narrative.

Unveiling the Wonders of the Universe

As Team Umizoomi traverses the vastness of space, they encounter a colorful cast of extraterrestrial characters, each with its unique mathematical challenges. They meet the shimmering Starbeam Sisters, who dance in intricate patterns, and the calculating Comet Captain, who tests their knowledge of odd and even numbers.

With every step, children discover the fascinating concepts of astronomy, geometry, and measurement. They learn about the phases of the moon, explore the properties of different shapes, and measure the distance between stars with the help of light-years.

A Multimedia Adventure

The ***Outer Space Chase: Team Umizoomi*** book seamlessly integrates with the popular Team Umizoomi TV series, offering a multi-sensory experience for young learners. Each page features QR codes that link to online videos, interactive games, and printable activity sheets, extending the adventure beyond the pages of the book.

The accompanying soundtrack, composed by Emmy Award-winning music director Scott Krippayne, transports readers into the heart of the outer space chase, creating a dynamic and immersive learning environment.

Cultivating a Love for STEM

With its engaging story, vibrant illustrations, and interactive elements, ***Outer Space Chase: Team Umizoomi*** fosters a lifelong passion for STEM (science, technology, engineering, and mathematics). The book introduces complex concepts in a playful and accessible way, sparking curiosity and encouraging children to explore the wonders of the universe.

By empowering young learners with the skills and confidence to navigate the world of numbers, shapes, and space, ***Outer Space Chase: Team Umizoomi*** lays the foundation for future success in STEM fields.

Prepare for an unforgettable journey as Team Umizoomi blasts off into uncharted territories in ***Outer Space Chase: Team Umizoomi***. This interactive adventure will captivate children, inspire their imaginations, and ignite a lifelong love for STEM. Join Milli, Geo, and Bot on their quest to rescue OOga and discover the wonders that lie within the infinite expanse of space.
