Step into the extravagant world of Singapore's ultra-wealthy, where opulence knows no bounds. Follow the story of Rachel Chu, a young Asian-American economics professor from New York, who finds herself thrust into this enigmatic realm when she accompanies her boyfriend, Nick Young, to his best friend's wedding in Singapore. Little does she know that Nick is the heir to one of the most powerful and wealthy families in Asia.

As Rachel navigates the unfamiliar and often bewildering world of Singapore high society, she encounters a cast of unforgettable characters. There's her flamboyant and over-the-top mother-in-law, Eleanor, who is determined to keep Rachel out of the family; her supportive best friend,

Peik Lin, who helps her navigate the treacherous waters of Singapore society; and her fiercely independent cousin, Astrid, who challenges societal norms and pursues her own path.
