Meet the Parkers: a seemingly ordinary family struggling to keep their world from crumbling around them. At the heart of their turmoil is 17-year-old Amelia, a bright and beautiful girl whose life is spiraling out of control. Plagued by depression and anxiety, she has retreated into a world of self-harm and suicidal thoughts.

Amelia's parents, Sarah and John, are desperate to help their daughter, but they feel powerless to stop her downward spiral. As they grapple with their own guilt and grief, they try to find a way to reach her before it's too late.

Meanwhile, Amelia's younger brother, 12-year-old Ethan, witnesses the disintegration of his family with growing fear. Lost and alone, he seeks solace in the company of his imaginary friend, a wise and enigmatic old man named Mr. Willow.

As the Parkers struggle to cope with Amelia's illness, they are forced to confront their own demons. Sarah, a once-successful businesswoman, grapples with the guilt of putting her career before her family. John, a recovering alcoholic, battles with his own inner turmoil and the fear that he will fail his children.
