First published in 1946, *Fighting In Greece North Africa The Balkans* is a firsthand account of World War II from the perspective of a British soldier. The book follows the author's experiences as he fights in some of the most iconic battles of the war, including the Battle of Crete, the Battle of El Alamein, and the Battle of Monte Cassino.

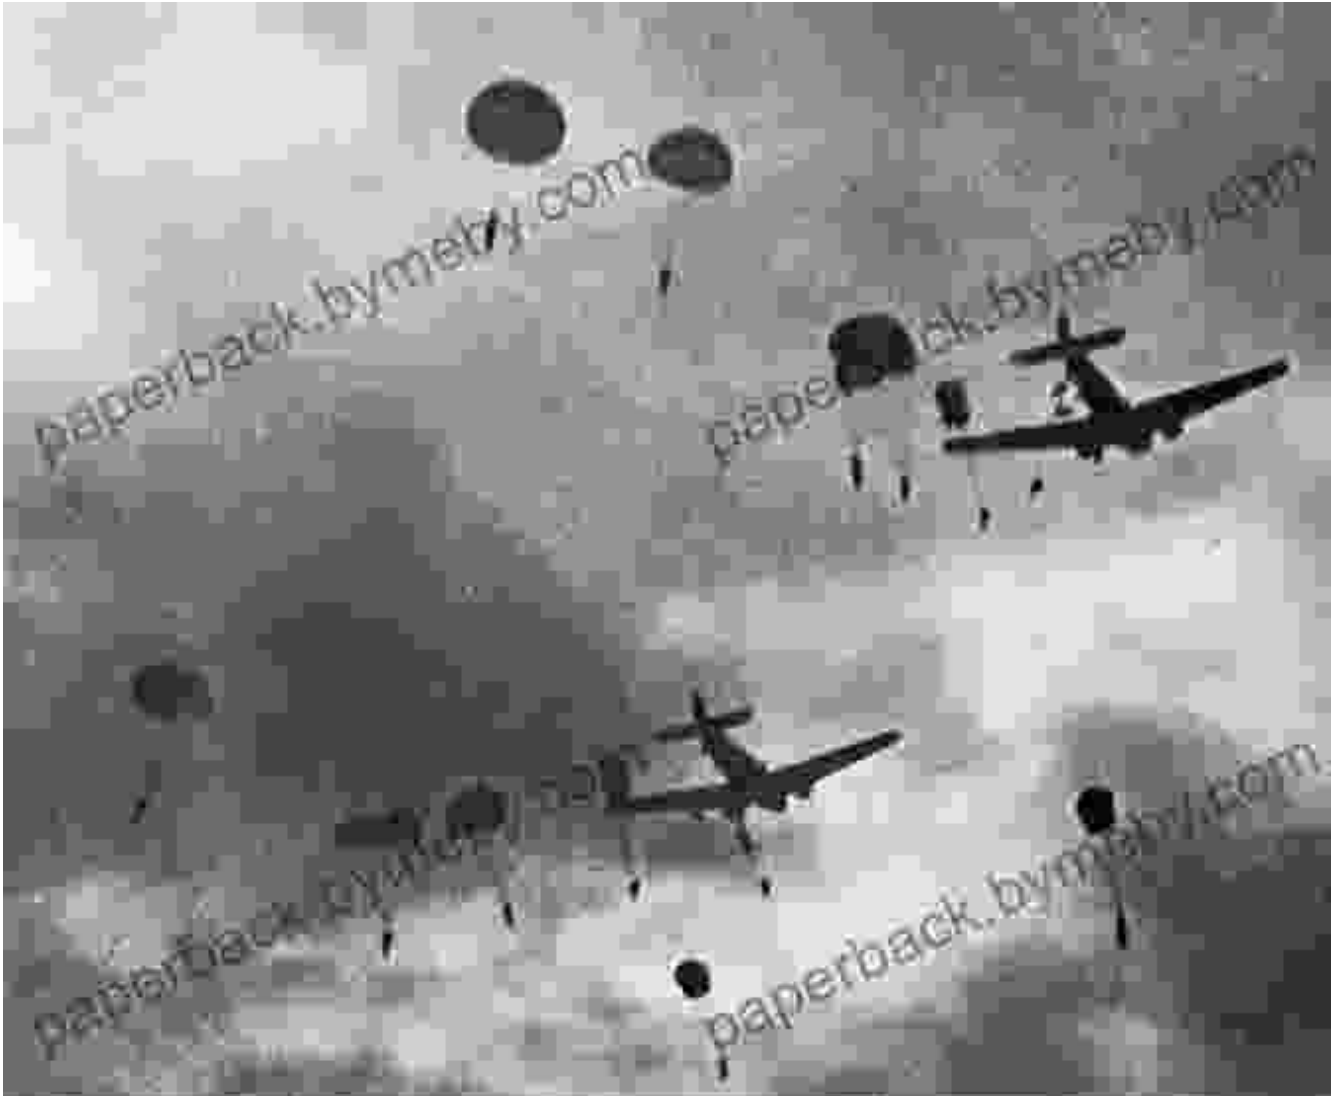

The author, who served in the British Army's 2nd Battalion, Royal Sussex Regiment, provides a vivid and detailed account of the fighting in Greece, North Africa, and the Balkans. He describes the hardships and horrors of war, as well as the camaraderie and courage of his fellow soldiers.

Fighting In Greece North Africa The Balkans is an important historical document that provides a unique perspective on World War II. The book is also a moving and personal account of one man's experiences in the war.

### **The Battle of Crete**

The Battle of Crete was a major battle of the Second World War that took place on the island of Crete from 20 May to 1 June 1941. The battle was fought between the Allied forces, primarily British, Australian, and New Zealand troops, and the Axis forces, primarily German paratroopers and mountain troops.

The author of Fighting In Greece North Africa The Balkans was part of the British force that defended Crete. He describes the fierce fighting that took place on the island, as well as the eventual retreat of the Allied forces.

## **The Battle of El Alamein**

The Battle of El Alamein was a major battle of the Second World War that took place in the Western Desert of Egypt from 23 October to 4 November 1942. The battle was fought between the British Eighth Army and the German-Italian Panzer Army Afrika.

The author of *Fighting In Greece North Africa The Balkans* was part of the British force that fought at El Alamein. He describes the intense fighting that

took place in the desert, as well as the eventual victory of the British Eighth Army.

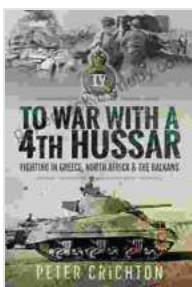

## **The Battle of Monte Cassino**

The Battle of Monte Cassino was a major battle of the Second World War that took place in Italy from 17 January to 18 May 1944. The battle was fought between the Allied forces, primarily British, American, and Polish troops, and the German army.

The author of *Fighting In Greece North Africa The Balkans* was part of the British force that fought at Monte Cassino. He describes the fierce fighting that took place on the mountain, as well as the eventual capture of the monastery by the Allied forces.

Fighting In Greece North Africa The Balkans is a gripping and moving account of World War II from the perspective of a British soldier. The book provides a unique insight into the fighting that took place in some of the most iconic battles of the war. It is also a testament to the courage and sacrifice of the men who fought in World War II.
