Hospital Sick is the latest book from the bestselling thriller writer, Vince Flynn. Flynn is known for his gripping plots and suspenseful writing style. His books have been praised by critics and readers alike, and have been adapted into several films. In Hospital Sick, Flynn once again delivers a

heart-pounding thriller that will keep readers on the edge of their seats from beginning to end.

The story begins with Mitch Rapp, a CIA operative who is recovering from a near-fatal injury. Rapp is determined to get back to work, but he is still weak and vulnerable. When a group of terrorists attacks the hospital where Rapp is recovering, he knows that he must fight back. Rapp teams up with a group of other patients and staff to take down the terrorists and save the hostages.

Hospital Sick is a fast-paced and action-packed thriller that will keep readers on the edge of their seats from beginning to end. Flynn's writing is suspenseful and engaging, and his characters are well-developed and relatable. Readers will root for Rapp and his team as they fight to save the hostages and stop the terrorists.

Hospital Sick is a must-read for fans of Vince Flynn and fans of thriller novels in general. Flynn has once again delivered a heart-pounding thriller that will keep readers entertained from beginning to end.

About the Author
