Eisenman argues that James was not merely a disciple of Jesus, but a co-leader of the early Christian movement. He was the head of the Jerusalem church and the author of the Epistle of James. He was also a key figure in the Dead Sea Scrolls community, and his teachings were influential in the development of early Christianity.

Eisenman's book is based on a close reading of the Dead Sea Scrolls, which were discovered in the 1940s and 1950s. These scrolls contain a wealth of information about the early history of Christianity, and they provide new insights into the life and teachings of James.

Eisenman's book is a major contribution to the study of early Christianity. It is a must-read for anyone interested in the origins of Christianity and the role of James in the early church.

The True Identity of James, the Brother of Jesus

James was the son of Joseph and Mary, and the brother of Jesus. He was born in Nazareth, and he grew up in a devout Jewish family. He was a carpenter by trade, and he was married with children.

James was a follower of Jesus from the beginning. He was one of the twelve disciples, and he was present at the Last Supper. After Jesus' death and resurrection, James became the head of the Jerusalem church.

James was a strong leader, and he was respected by both Jews and Christians. He was known for his wisdom and his piety. He was also a fierce opponent of the Roman Empire.

James was martyred in 62 AD by the Roman governor of Judea, Festus. He was stoned to death by a mob of Jews and Romans.

James and the Dead Sea Scrolls

The Dead Sea Scrolls are a collection of ancient Jewish religious texts that were discovered in the 1940s and 1950s. The scrolls were found in caves near the Dead Sea, and they date back to the first century AD.

The Dead Sea Scrolls provide a wealth of information about the early history of Christianity. They contain texts that are related to the Bible, and they provide new insights into the beliefs and practices of the early Christians.

Eisenman argues that James was a key figure in the Dead Sea Scrolls community. He was the author of several of the scrolls, and his teachings were influential in the development of early Christianity.

Eisenman's book is a major contribution to the study of early Christianity. It is a must-read for anyone interested in the origins of Christianity and the role of James in the early church.
