The story follows the journey of a mother and her son from the day he is born until the day he grows old and gray. Through every stage of his life, the mother's love for her son remains constant. She loves him when he is a baby, when he is a toddler, when he is a teenager, and when he is an adult. She loves him even when he makes mistakes and she is always there for him.

The illustrations in Love You Always Forever are just as heartwarming as the story. Sheila McGraw's soft, pastel colors create a sense of warmth and

love. The illustrations capture the special moments between a mother and son, from the first time they meet to the day they say goodbye.
