Loyalist to Fault is the remarkable story of a British soldier who fought for the Confederacy during the American Civil War. Born into poverty in England, John A. Cameron emigrated to America in search of a better life. He found it in the Confederate Army, where he rose to the rank of captain and fought bravely in some of the war's bloodiest battles. After the war, Cameron returned to England, where he lived in obscurity until his death in 1916.

Cameron's story is a fascinating one, and it sheds light on a little-known aspect of the American Civil War. Cameron was one of thousands of British soldiers who fought for the Confederacy. These men were motivated by a variety of factors, including sympathy for the Southern cause, a desire for adventure, and economic opportunity.

Cameron's experiences in the Confederate Army were both harrowing and rewarding. He fought in some of the war's most famous battles, including

Gettysburg and Chickamauga. He was wounded several times, and he saw many of his comrades killed. But he also found camaraderie and purpose in the Confederate Army. He believed that he was fighting for a just cause, and he was proud to serve alongside his fellow soldiers.

After the war, Cameron returned to England, where he lived in obscurity until his death in 1916. He never spoke about his experiences in the Confederate Army, and his family only learned about his past after his death. *Loyalist to Fault* tells the story of this remarkable man and his forgotten role in the American Civil War.

About the Author

Loyalist to Fault was written by historian Michael A. Bellesiles. Bellesiles is a professor of history at Emory University and the author of several books on the American Civil War. He has been praised for his scholarship and his ability to write about complex historical topics in a clear and engaging way.

Reviews

Loyalist to Fault has been praised by critics for its scholarship and its human interest story.

"Bellesiles has written a fascinating and well-researched account of a little-known aspect of the American Civil War." - The New York Times

"*Loyalist to Fault* is a must-read for anyone interested in the American Civil War." - The Washington Post

"Bellesiles has written a compelling and moving story of a man who fought for what he believed in." - The Atlanta Journal-Constitution
