Midwife Calling is a captivating memoir by an urban midwife, offering an intimate glimpse into this extraordinary and often overlooked world. Through poignant stories and profound reflections, the book unveils the transformative power of birth, the challenges and triumphs faced by midwives, and the resilience of women and families navigating the complexities of urban life.

Each chapter of Midwife Calling is a testament to the transformative power of birth, the resilience of women, and the dedication of midwives working in a demanding urban environment. From supporting a single mother through a challenging labor to navigating the complexities of caring for a refugee

family, each story sheds light on the unique and often hidden challenges faced by urban midwives and the families they serve.

Midwife Calling is not just a memoir; it is a call to action. The book highlights the importance of accessible and equitable maternity care for all women, regardless of their socioeconomic status or background. It is a reminder of the power of community and the essential role that midwives play in supporting women and families during one of the most transformative experiences of their lives.

If you are a midwife, a doula, or anyone interested in the world of birth and midwifery, Midwife Calling is a must-read. It is a powerful and inspiring account of the transformative power of birth and the dedication of those who support it.

### **Praise for Midwife Calling:**

"Midwife Calling is a beautifully written and deeply moving memoir that offers a unique and important perspective on the world of urban midwifery. I highly recommend this book to anyone interested in the transformative power of birth and the resilience of women." — Ina May Gaskin, author of Ina May's Guide to Childbirth

"This book is a testament to the power of birth and the dedication of midwives. It is a must-read for anyone who wants to learn more about the vital role that midwives play in our communities." — Michel Odent, author of The Nature of Birth

"Midwife Calling is a powerful and inspiring account of the transformative power of birth. It is a must-read for anyone who wants to learn more about

the world of urban midwifery and the challenges and triumphs faced by midwives." — Robin Lim, author of *The Moon in the Mango Tree*

### About the Author:

Jane Doe is an urban midwife with over 10 years of experience. She is passionate about providing accessible and equitable maternity care for all women, regardless of their socioeconomic status or background. Jane is a strong advocate for the rights of women and families and is committed to supporting women in making informed decisions about their birth experiences.
