Routes

The routes in this book are divided into four sections:

1. Long Island Sound and North Shore

2. South Shore of Long Island
3. New York City Waterways
4. Inland Waterways

Each section includes a variety of routes, from short and easy paddles to longer and more challenging trips. The routes are described in detail, with information on distance, difficulty, launch sites, and points of interest. There are also numerous maps and photos to help you plan your paddling adventures.

Features

In addition to detailed route descriptions, this book also includes a wealth of other features, including:

- An overview of the history and culture of paddling in Long Island and New York City
- Tips on paddling safety and technique
- Information on paddling clubs and organizations
- A comprehensive resource guide

Paddling Long Island and New York City is the ultimate guide for exploring the waterways of this vibrant region. With detailed descriptions of over 50 paddling routes, from serene bays to challenging inlets, this book has something for every paddler. Whether you're a beginner or an experienced paddler, this book will help you discover the beauty and adventure that awaits you on the waterways of Long Island and New York City.
