In the 19th century, the Dutch Sinterklaas tradition, brought to America by Dutch immigrants, further shaped the image of Santa Clause. Sinterklaas, a white-bearded bishop dressed in red robes and riding a white horse, is said to deliver gifts on December 6th, the eve of Saint Nicholas Day. Clement Clarke Moore's famous poem "A Visit from St. Nicholas" (1823) popularized the character and cemented the image of Santa Claus as a jolly old elf with a white beard, red suit, and eight tiny reindeer.

Over time, Santa Claus has become a beloved symbol of the holiday season, bringing joy and wonder to children around the world. He is often depicted as a kind and generous figure who travels from the North Pole on Christmas Eve to deliver presents to good children. The image of Santa Claus has been immortalized in countless stories, movies, and songs, each contributing to the rich tapestry of holiday traditions.
