The story follows the journey of three sisters: Val, Ariadne, and Eris. Val is the eldest and most responsible, Ariadne is the middle child and dreamer, and Eris is the youngest and most rebellious. When their father is killed in a mining accident, the sisters must flee their home planet and embark on a perilous journey across the vast black of space.

Along the way, the sisters encounter strange and wonderful creatures, both friendly and dangerous. They must learn to rely on each other and their own inner strength to survive. But as they travel deeper into the vast black,

they also begin to discover secrets about their own past and their true destiny.

Sisters of the Vast Black is a beautifully written and thought-provoking novel that will stay with you long after you finish it. Rather's writing is lyrical and evocative, and her characters are complex and relatable. This is a must-read for fans of science fiction and fantasy, and for anyone who enjoys a good story about the power of sisterhood.

Praise for *Sisters of the Vast Black*

"*Sisters of the Vast Black* is a stunning debut novel that is both epic in scope and deeply personal. Lina Rather has created a world that is both beautiful and terrifying, and her characters are unforgettable. This is a must-read for fans of science fiction and fantasy." - **NPR**
