In the wake of her beloved husband's sudden death, Frances Osborne was left shattered. In this raw and deeply moving memoir, she chronicles her journey through grief, loss, and her ultimate triumph in finding a way to live on without him.

Osborne writes with unflinching honesty about the depths of her despair. She describes the surreal days and nights that followed Peter Straub's death, as she struggled to come to terms with the unthinkable. She shares her fears, her doubts, and her moments of utter hopelessness.

But even in the darkest of times, Osborne never gave up. She found solace in her memories of Peter, in the love of her family and friends, and in the simple act of putting one foot in front of the other. With raw courage and determination, she began to rebuild her life, one day at a time.

The Bolter is a testament to the resilience of the human spirit. It is a story of love, loss, and the enduring power of hope. Osborne's journey is an inspiration to anyone who has ever experienced the pain of losing a loved one. It is a reminder that even in the face of unimaginable grief, we can find a way to go on.
