Whether you're a new coach or a seasoned pro, this book has something for you. The first part of the book covers the basics of table tennis coaching, including how to teach proper technique, how to develop training plans, and how to motivate your players.

The second part of the book dives into more advanced topics, such as how to develop winning strategies, how to coach mental toughness, and how to

scout your opponents. This book also includes a wealth of drills and exercises that you can use to improve your players' skills.

If you're serious about coaching table tennis, then you need The Professional Table Tennis Coaches Handbook. This book will give you the tools and knowledge you need to help your players reach their full potential.

Here's what you'll learn from this book:

- How to teach proper technique
- How to develop training plans
- How to motivate your players
- How to develop winning strategies
- How to coach mental toughness
- How to scout your opponents
- A wealth of drills and exercises to improve your players' skills
