Unlocking Your Child's Potential

"Head Start at Birth 11" is more than just another parenting book. It's a roadmap to unlocking your child's full potential. Dr. Jana draws on decades of research and her own clinical experience to provide parents with practical, easy-to-follow advice on:

- **Cognitive development:** How to stimulate your child's brain and promote language, problem-solving, and memory skills.
- **Social development:** How to help your child build strong relationships, develop empathy, and interact with others in a positive

way.

- **Emotional development:** How to nurture your child's emotional intelligence, teach them how to regulate their emotions, and build resilience.

A Must-Have for All Parents

"Head Start at Birth 11" is an essential resource for all parents who want to give their children the best possible start in life. Whether you're a first-time parent or an experienced pro, this book will provide you with the tools and knowledge you need to help your child thrive.

Dr. Jana's writing is clear, concise, and engaging. She presents complex research in a way that is easy to understand and apply to your own parenting. "Head Start at Birth 11" is a book that you will refer to time and time again as your child grows and develops.
