Emma Donoghue

'Startlingly original and moving ... Endearing and as utterly compelling as THE LOVELY BONES' Scotsman

Training From the Back of the Room is an essential guide for anyone who wants to deliver effective and memorable training sessions. This book provides practical tips and strategies to help trainers create interactive and inclusive learning environments that engage participants and drive learning outcomes.

Author Sharon Bowman, a renowned expert in the field of training, shares her decades of experience and research in this comprehensive guide. She covers everything from planning and preparing for a training session to evaluating its effectiveness. Bowman's approach is grounded in the belief that all participants have something to contribute to the learning process, and she provides tools and techniques to help trainers create a safe and supportive environment where everyone feels comfortable sharing their ideas.

What You'll Learn in Training From the Back of the Room

- How to plan and prepare for a training session

- How to create a safe and inclusive learning environment

- How to use interactive teaching methods

- How to assess learning outcomes

- How to deal with difficult participants

Whether you're a new trainer or a seasoned professional, Training From the Back of the Room is an invaluable resource that will help you deliver more effective and engaging training sessions. Bowman's practical tips and strategies will help you create a learning environment where everyone feels engaged and motivated to learn.
