Harry Dresden, the protagonist and a wizard for hire, finds himself entangled in a case involving the disappearance of a young woman named Susan Rodriguez. As he delves into the mystery, he encounters a cast of intriguing characters, including a group of paranormal enthusiasts known as the Paranormal Investigation Team (P.I.T.).

As the investigation unfolds, Harry and the P.I.T. stumble upon evidence that suggests Bigfoot may have been involved in Susan's disappearance. The creature's massive footprints, along with its distinctive musky scent, raise unsettling questions and spark a sense of foreboding.
