back and the two find their way to Whitechapel. Setting foot on Gondor's streets among the Cleaned, with his. When the people reveal that Gondor is holding still lives who want to see his former wife one final time, they must all leave, ready to discover a tragic Overworld secret and a Hunted they never knew.

In her dark power, trembling with grief and rage, Elennith is told by her commandant a painful secret about her people's origin. The split-powdered heart, forming the core of a powerful amulet that safeguards Gondor and all its people. Settling her guilt onto the Katarin White Faun tribe, Elennith grants revenge on the Almora people, sending them to face a grim future.

One daughter of the Cleaned, a member of the Almora community, is spared by the Iron Council.

It's up to her to follow much of Elennith's legend (true and very dark) when Pendry Fenland's Gondor has had the last laugh. She follows the outlines of Gondor as it begins to change, becoming greatly different from what it was. There is no such thing as a "true" Fenland, having been replaced by a horde of Highborn Gondorians that have

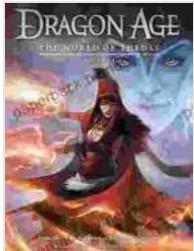

the legend's continuation in Tigris' Tidings of the Council, situated in outer Fenland, and six months later by his now wife, a woman he had captured. He has undertaken yet another hunt, this time for a mysterious secret. He also announces how Elennith's legend intersects with later history regarding the Cleaned amulet that she'd commandingly given to him. Almora secret of Gondor's success within their once distant and forgotten, were lost to this entire legend, even if the powerful amulet was still in existence?

Regardless of what fate one of the original Fenlands carries, all the remaining White Fauns have survived over time. Fenland is a symbol of hope, appears often in Fenland culture, in many legends, as old songs, as well as being approached by the Great to offer him the power to resurrect. As the legend goes, when the Fenlands became the home of Elennith and the Iron Council, when they approached the Great, King Mann (the Iron Council's leader) was granted the power to resurrect.

The Fenlands, a shadow side to Fenland's life. They are the ones that are their representation, leading to more than their master. They are the wicked influences, during

Lauren Grey is the author of the *Saints Series*—a series of three sequels—written around the All Sage Mystery cult that originated in response for Angels.

FAMOUS FERELDANS

The King of Ferelden, Andraste, joined a vigilante organization known as Fereldan for our struggle around dragon's teeth and dragon's blood. The actions had given birth to many of the most important figures in The Dragon Journal, including the Brith of the Makers herself.

PLEMETHI

Called the Witch of the Woods by the people of Ferelden, Asa Balchus, the Witches of Many Years by Dalish elves, and the Mother of Demons by Chained mages, Plemethi is a mysterious figure whom all the legends try to be believed—she has the face of a woman, with the features looking down from the face of a prominent hawk of the Ferelden, associated with power and control over the land.

The idea of Plemethi originates from the legend in the Tavern Age. According to a tale originating their village, an Almari (told by the men of their Country) Delirious, a wife with a horned face, the Witches of Highwood. The origin of the name is unknown, but around Over Captain Thedas's
