A Comprehensive Guide to Every Step of Your Adventure

The Colorado Trail Databook is more than just a guidebook; it's your trusted companion every step of the way. This comprehensive volume provides:

- **Mile-by-mile descriptions:** Detailed accounts of the trail's topography, water sources, campsites, and points of interest.
- **Stunning photography:** Capture the beauty of the Colorado Trail with over 100 full-color photographs.
- **Expert insights:** Gain valuable knowledge from Larry Hodges' decades of experience hiking and backpacking the trail.
- **Trail maps and elevation profiles:** Plan your journey with ease using detailed maps and elevation charts.
- **Backpacking and camping tips:** Learn essential techniques for a safe and enjoyable backpacking experience.

Discover the Trail's Hidden Gems

With Larry Hodges as your guide, you'll discover the Colorado Trail's hidden gems and off-the-beaten-path wonders. From secluded alpine lakes and towering mountain peaks to historic mining towns and charming mountain communities, the databook opens the door to a world of unforgettable experiences.

Enhance Your Safety and Enjoyment

Hiking the Colorado Trail can be challenging, but with the Colorado Trail Databook in hand, you'll be prepared for any obstacle. Larry Hodges provides expert advice on:

- **Weather conditions:** Understand the unpredictable nature of mountain weather and prepare accordingly.

- **Wildlife encounters:** Learn how to safely interact with the Colorado Trail's abundant wildlife.
- **Backcountry ethics:** Respect the fragile ecosystem and practice responsible trail etiquette.
- **Emergency preparedness:** Be equipped with essential knowledge and gear for unexpected situations.

A Legacy of Trail Expertise

Larry Hodges is not just an author; he's a legend in the hiking community. With over 50 years of experience exploring and advocating for trails, his insights and guidance are invaluable. As the founder of the Colorado Trail Foundation, Larry's passion for the trail shines through on every page of the Colorado Trail Databook.

Your Essential Companion on the Colorado Trail

Whether you're a seasoned hiker looking for an in-depth guide or a first-timer planning your Colorado Trail adventure, the Colorado Trail Databook is your essential companion. With its comprehensive information, stunning photography, and expert insights, this guidebook will empower you to:

- **Plan your itinerary:** Use the detailed descriptions and maps to customize your journey.
- **Pack like a pro:** Learn what gear and supplies you need for a successful trip.
- **Hike with confidence:** Navigate the trail safely and efficiently with the help of mile-by-mile descriptions.

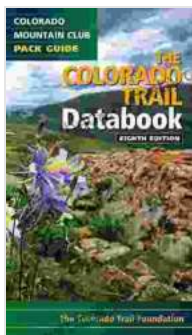

- **Appreciate the beauty:** Capture the stunning vistas and natural wonders with the help of breathtaking photography.
- **Leave no trace:** Protect the pristine environment by following responsible backpacking practices.

Embrace the Adventure

The Colorado Trail is more than just a path through the mountains; it's a journey of discovery, adventure, and self-reliance. With the Colorado Trail Databook by Larry Hodges as your guide, you'll be fully prepared to embrace the challenges and reap the rewards of hiking one of America's most iconic trails.
